

Supplier Self Assessment

RoHS

1. Does your company manufacture, sell or lease any electrical and electronic equipment ("EEE") according to Annex I of the Directive 2011/65/EU?
2. Do the EEES bear a CE-marking?
3. Do you have an EU Declaration of Conformity for the EEES? *
4. Do the EEES bear a type, batch or serial number or other identifier?
5. Do the EEES bear the name and postal address of the manufacturer?
6. Does the manufacturer of the EEES have its seat outside the European Economic Area?
7. Do the EEES bear the name and postal address of the importer?
8. Are you the manufacturer of the EEES?
9. Do you have the technical documentation of the EEES?
10. Have you assessed the conformity of your EEES according to an applicable conformity assessment procedure?
11. Are you the importer of the EEES?
12. Do you have access to the technical documentation of the EEES?
13. Do the EEES contain any of the restricted substances mentioned in the Annex II of the Directive 2011/65/EU?
14. Is the concentration of the restricted substances below the indicated maximum concentration according to the Annex II of the Directive 2011/65/EU?
